COVID-19 Statement from the Elders — COVID-19 and its variants appear to be an ongoing health concern. Since we are still combating this pandemic and the number of cases appearing in our community seems to have escalated, caution is recommended to protect everyone's health and well-being. With social distancing and wearing masks we can make a difference in controlling the spread of this virus. As we worship a powerful and mighty God together, please give consideration to these issues and actions.

God is our refuge and strength, an ever-present help in trouble.
